RSVP NOW →

You've been invited to join friends and colleagues at one of two complimentary
Continuous Emissions Monitoring seminars presented by
Alliance Source Testing, Environmental Systems Corporation, and M&C Tech Group N.A.

The seminars will include regulatory and technical CEMS discussions for refineries,
chemical and power plants, as well as training and discussions facilitated by the seminar hosts.
Food and beverages will be provided to attendees at both seminars.

Seminar Schedule

Feb. 6th 2018:
1:00PM to 5:00PM - CEMS Seminar 1
5:00PM to 8:00PM - Happy Hour Reception at the Flying Dutchman

Feb. 7th 2018:
8:30AM to 1:00PM - CEMS Seminar 2 (Same content as day 1)
